

## *Reading and Phonics at Rossmere Primary School*

---

At Rossmere Primary School we teach phonics across our Foundation Stage and Key Stage 1.

To support us with the planning and teaching of phonics we use the following documents:

- Letters and Sounds.
- Read, Write Inc. Resources: We use the strategies and resources to support us in teaching phonics using a systematic approach.
- The National Curriculum.
- The Early Years Outcomes Document.

In June of each year, children in Year One take part in the Government's Phonics Check.

Our reading schemes compliment and supplement the teaching of phonics. The schemes we use are:

- Pearson's Phonic Bug.
- Oxford Reading Tree.
- On line use of Pearson's Bug Club.

Reading books are sent home which are matched to each individual child's phonic ability.
